

Fueling the World

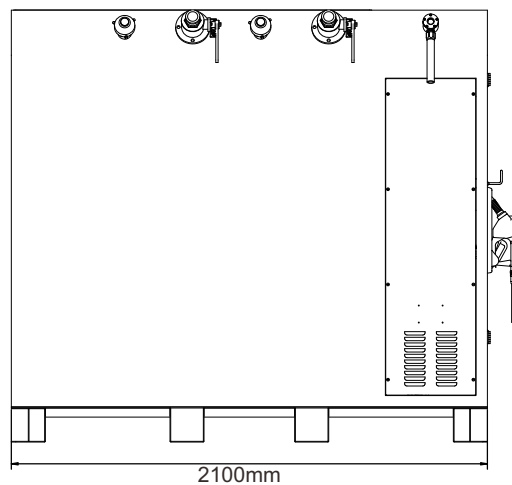

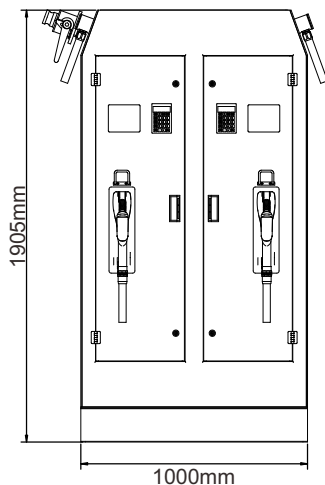

# Mini Skid Mobile Fuel Gas Station

## Advantages:

- 1.This mini fuel gas station is very convenient, flexible unit which can move easily for gasoline and diesel sales
- 2.The strong fuel tank separate from the fueling nozzle and hose to keep safety.
- 3.High quality breath valve keep the normal pressure in the tank.
- 4.Easy installation, no additional cost for installation.
- 5.Long life time, no extra repair.
- 6.Top brand Italian pump and motor are durable, good performance.
- 7.Eaglestar offers 1 year warranty under normal standard operation.

# Type A

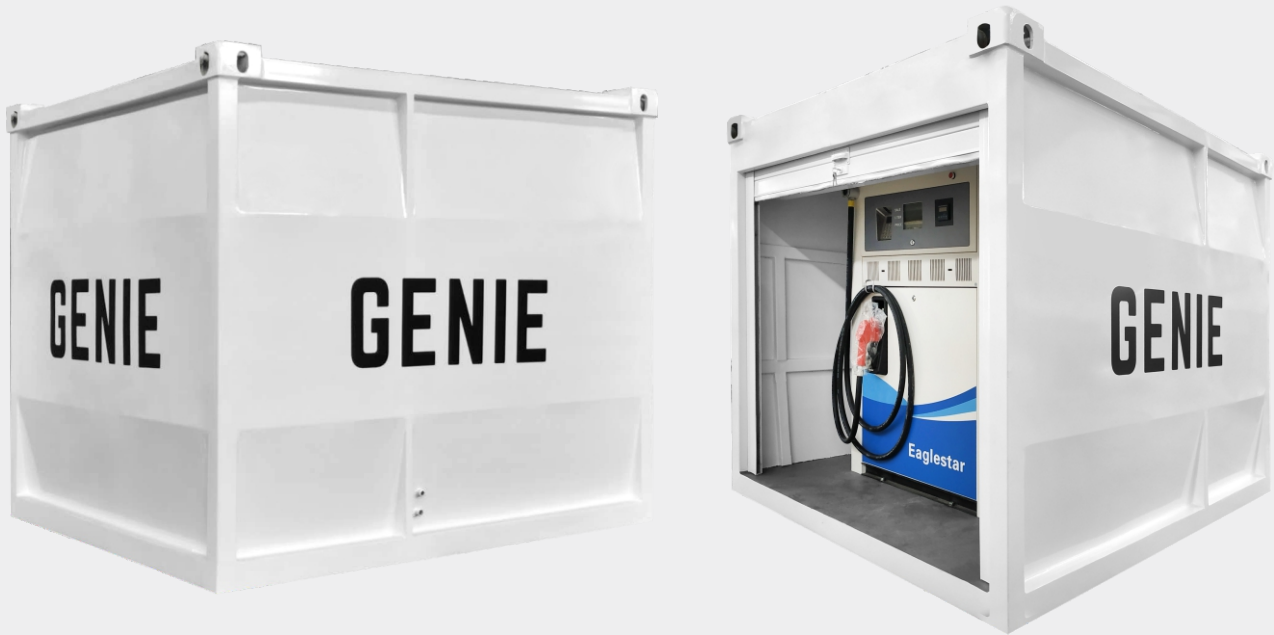

## Technical Specification:

- 1) Double Hose Fuel dispenser  
2 pump, 2 flow meter 2 hose & nozzle with 2 display
- 2) Containerized Tank 2000L, 3000L or 5000L for gasoline and diesel individually
- 3) Breathing valve
- 4) Quick connector for inlet
- 5) 24V DC power. One optional power change charger is also available.
- 6) Tanker truck grounding device
- 7) Dimension: 2200\*1200\*1600mm
- 8) Weight: 900kgs
- 9) Logo: Customized by customer

Application area: Energy & Mining, Fuel Stations, Oil and Energy, Large Bulk Storage, Truck Fleets, Ships, Power Generation, Industrial, Municipal, Quarries, Construction Sites etc.

# Type B

## Technical Specification:

- 1) Containerized Tank 2000L, 3000L, 5000L available for customers
- 2) One compartment or two compartment for gasoline or diesel
- 3) Fuel dispenser, single hose or double hose available
- 4) Breathing valve
- 5) Quick connector for inlet
- 6) 380V or 220V AC power.
- 7) Tanker truck grounding device
- 8) Dimension: 2200\*1200\*1600mm for 2000L unit.
- 9) Weight: 1200kgs
- 10) Logo: Customized by customer

Application area: Energy & Mining, Fuel Stations, Oil and Energy, Large Bulk Storage, Truck Fleets, Ships, Power Generation, Industrial, Municipal, Quarries, Construction Sites etc.

# Technical Specification Chart

		standard flow rate(gasoline/diesel)	heavy duty(diesel)
flow rate	suction	5~50 LPM	7~70 LPM
Accuracy		± 0.25%	
Electronic	Type	LCD display, white backlight	
	Display	Sale: 7digits 【 0-99999.99 】	
		Liter: 7digits 【 0-99999.99 】	
		Price: 5digits 【 0-999.99 】	
	Totalizer	10digits liter/volume: 0-42949672.95	
Other functions	Self - diagnosis, over voltage protection, stand by battery		
Keypad		16 buttons high quality membrane keypad for sale and liter preset	
Flow meter		soft piston positive displacement volume flow meter with high accuracy and long lifetime	
Vane pump		Vane blade type pump with air separator combination with smooth running and low noise	
Ex motor		Standard : 380V 3 phase explosion proof motor, China top brand Option: 220V 1 phase explosion proof motor, China top brand	
Automatic Nozzle		Standard duty: Spout size: 13/16" or 15/16" Heavy duty : 1" China top brand Option: OPW	
Coupling		Standard: Single	
Hose		Standard duty : 3/4" X 4 meters Black anti oil hose Heavy duty : 1" Option: The colorful hose and specified length	
Emergency button		Option	
Body		Standard: White color Option: Customized logo can be printed on canopy and front panel.	
Communication port		RS485 and current loop	
Ex pulser		China top brand	
Ex solenoid valve		Two stage control valve, China top brand. Standard duty : 3/4", Heavy duty : 1"	
Flexible pipe		1.5" thread flange connection	
		1.5" thread connect to shut off valve	
Other options		Please see the details in front pages for each series.
